Concept Classes focus on fundamental concepts of the SAT to build up students' foundation.

By the end of the course, students will gain a holistic understanding on how to apply all concepts & skills taught to real-world problems. During these classes, our SAT trainers will also discuss scoring strategies to help students score better for the test.

Tutorials* (Attend AS MANY AS YOU CAN).

(*) TBA

Tutorials helps students deal with tough & tricky SAT questions.

During these lessons, students will attempt advanced-level questions under timed conditions. This will help to build familiarity with tricky SAT questions, and help students gain confidence during the real test. Additionally, students can use these sessions to clarify their doubts with the trainers.
